

# DIVERSITY

By Grace McLelland and Abigail York

# Definition of Diversity

“1: the quality or state of having many different forms, types, ideas, etc.

There was some diversity of opinion about what should be done. [=people had different opinions about what should be done]

2: the state of having people who are different races or who have different cultures in a group or organization

The city is known for its cultural/ethnic diversity.

The school aims for diversity in its student population” (Merriam Webster Dictionary).

"A lot of different flowers make a bouquet."

# The best way to study is....

Some students will say that the best way to study is to...

- Put it off until the last minute (aka cramming)
- Rewriting notes
- Going through flash cards

Just from this question you can see the different opinions students may have on campus.

## More Topics where Student Opinions may split

### Politics

Many students on campus have a vast amount of answers on where they stand in this topic.

### Freetime

Some students like to go home while some go party.

Race

At SAU

SAU has a very  
diverse culture  
when it comes to  
race.

Images reveal large amounts  
of data, so remember: use an  
image instead of a long text

We even have  
Awards for it!  
Dr. Kardas  
Won it in  
2018!

This award is  
for...

- This awards recognize a faculty member, a staff member, and a student group for their contributions to promoting, supporting, and improving diversity and inclusion as a core component of valuing people at SAU. The individuals and groups nominated should exemplify the valuing people and diversity goals of SAU through their participation and involvement with diverse individuals and groups, and providing leadership to encourage meaningful interaction and activities among diverse groups to improve campus climate
