

Volunteering Opportunities

Fall 2021

Why People Volunteer:

- Learn new skills
- Become an “insider”
- Be challenged
- Learn something new
- Gain leadership skills
- Satisfaction from accomplishment
- For fun
- Make new friends
- To have an impact

Volunteering breakdown

- Approximately 63 million Americans (25% of adult population) volunteer their time, talents, and energy to make a difference
- On average people spend 52 hours per year volunteering their time
 - Do you think one hour a week is obtainable?
