# HOW TO WRITE

## Create A Draft

- Know your audience
- Create a list of ideas that will be included in the essay that go along with the assigned topic
- Begin writing the essay using an introduction. Then build upon that with body paragraphs, and end with a conclusion. This becomes your rough draft.

# Revising and Editing

- Read over the essay and check for these things:
  - Style
  - Grammar
  - Spelling (Spell check)
  - Other ideas to add
- Get a friend to look over the essay. Peers can help get a new perspective and see things that may have been missed.
- Avoid using these:
  - Text Language (LOL, LMAO, UR)
  - Emoticons

# Final Copy

- Should have:
  - Introduction, Body Paragraphs, and Conclusion
  - Proper grammar
  - Correct sentence structure
  - Thoughtful ideas
  - Analysis
  - Correct Spelling

## Writing Center

The writing center provides students workers who can help write an essay or edit it. They can also give critique and give you ideas on how to make it better.
