

# CIVILITY

Presentation by Etim & Seabaugh

# DEFINITION

Politeness

Reasonable

Respectfulness

Understand the effect of one's action on  
those around them.

# IVILITY IN THE CLASSROOM

much as you want to sleep, stay awake!

much as you want to use your phone, refrain from doing so.

se your hand before asking a question

l't cause distractions

honest with your work

CUSSING... without permission from your professor

# Outside of classroom

polite when talking to someone

knowledge your mistakes and take responsibility for th

ok twice before you leap

member to say please and thank you

n't hesitate to help when you see someone who needs

istance

# WHY CIVILITY IS A NECESSITY

The Golden Rule

Shows your actions have good intentions

Makes it easier to work with other people
